Date Night

Offerings

Experience the art of fire at one of our date nights using your unity crystals. Sculpt or blow to create your masterpiece. Choose from 3 packages. Prices are per couple. No experience required!

Make it Together

Make two solid projects together.

Half N' Half

This date provides both styles of glassmaking in the studio: solid and blown.

Blow Baby Blow

Make two blown stemless drinkware glasses such as: wine, whiskey, or iced tea. The date is completed by the instructor making a matching wine saver with the colors of your glasses.
